Invitation for application from Agri Innovators & Startups

KAU R-ABI, Kerala invites applications for its two agri-business incubation programmes from aspiring agripreneurs of Kerala and its neighboring states and agri-startups either registered in Kerala or those who wish to set up agribusiness project in the state.

1. Agripreneurs having an innovative agri-business idea and willing to convert it into prototype /product are eligible for pre seed stage funding programme 'Agripreneurship Orientation Programme' **KAU RAISE-2020**. A stipend of Rs 10,000/- per month will be granted to the selected interns for two months. After successful completion of internship, selected agri-startups will be eligible to apply for **grant-in-aid upto Rs. 5 lakhs**, for converting their innovative idea into prototype/product
2. Selected agri-business startups having a Minimum Viable Product (MVP) based on innovation in agriculture and allied sector will be eligible to apply for seed stage funding programme 'Startup Incubation programme' **KAU PACE-2020** as per guidelines, **upto Rs. 25 lakhs grant-in- aid** per startups for commercialization and establishment of their Agri-Business.

Registration for both KAU-RAISE 2020 and KAU-PACE 2020 is open **till 6th June 2020, 4:00pm.**

The applications received outside the given time frame will be considered invalid.
