KAU MOOC

Notice

The Kerala Agricultural University's Centre for e-Learning invites application for Massive Open Online Course (MOOC) on '**Pest and Disease Management through Biocontrol methods**'. This is a free online course programme in agriculture and farming offered in Malayalam at free of cost. The classes are scheduled to begin on **28th June 2021**. The last date for registration is on 27th June, 2021.

The online course has 10 sessions, having a duration of 24 days. The participants can attend the course on the MOOC platform (celkau.in) of KAU utilizing around half to one hour per day. Certificates are issued for the students who have successfully completed the course and on payment of certificate fees.

Interested candidates can register the course by following the instructions given below:

- 1) Click on the link www.celkau.in/MOOC/Default.aspx
- 2) Then, click on 'Register' button and enter into the platform registration page.
- 3) Provide the required information and click on 'Register' button. Now your **one time registration** in the platform is complete.

Follow the steps from 4 to 6 for **course registration**.

- 4) Login with your user-id by clicking the link, "*Praveshanam*" seen on the 'poomugham'(Home Page) page or by clicking on the link '*kozhsilekkullappraveshanam*'.
- 5) Now, click the button 'Puthiyacoursukal' and click on the course 'Pest Disease mangement through Biocontrol Methods'. Now click on 'angathwanneduka'. You are now registered for the course.
6. From 24th May 2021 onwards you can login and start the learning activities.

All are cordially invited to participate in this MOOC pogramme.
