ILLUMINATE WORKSHOP

Madam/Sir,

Join us for "Illuminate," a workshop organized by E-Cell CoA Vellayani in collaboration with IIT Bombay on January 8, 2024. This event provides a unique opportunity to delve into practical aspects of entrepreneurship.

Engage with industry expert Babu Mohanan in insightful discussions and hands-on activities, fostering creative thinking and refining problem-solving skills. "Illuminate" is more than just an educational event; it's a journey of self-discovery and innovation, connecting you with like-minded individuals passionate about business or technology commercialisation.

Experience a day of growth, exploration, and empowerment at "Illuminate." Save the date and become part of this enlightening entrepreneurial experience."
